

## Devon™

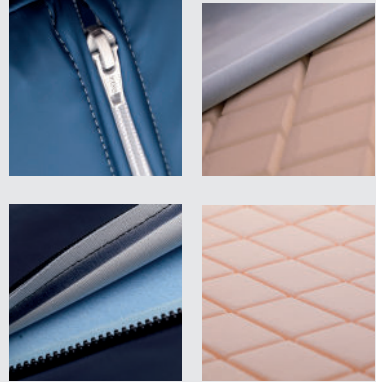

The Devon™ mattress provides excellent value for money for those on a tight budget. Naturally, one can rest easy, as the usual high standards from WinnCare apply and that comfort is always achieved without the need to compromise on pressure-reducing abilities.

The high density, castellated, combustion-modified, ether foam (CME) maintains exceptional comfort for the user, whilst providing peace of mind for the care staff. Our sewn UK manufactured, multi-stretch, vapour permeable and waterproof cover is provided as standard, with an upgrade available to high frequency welded cover, as a premium product standard.
