

ELITA PREMIUM PROFILING BED

Product Code:

HLB563

Description:

- The Elita Premium is a top of the range profiling bed. Combining a warm, cosy look with clinical excellence the Elita Premium gives users and carers an exceptional experience.
- The height range of the Elita Premium gives the option to lower from a standard height to a low, giving flexibility to meet the user's needs.
- The quality castors provide smooth maneuverability, and the high safe working load means the Elita Premium is suitable for the majority of users.
- The four profiling sections provide optimum comfort and clinical support, and can be independently adjusted by users using the ergonomic lockable handset.
- The Elita Premium also boasts trendelenburg and auto regression as standard.
- Fully customisable, the Elita Premium comes with multiple colour, side rail set ups and headboard and footboard options.
- Components have been manufactured according to latest research and are in accordance with all valid safety requirements and standards.
